

# California Component Celebrates 50th Anniversary

The California Dental Society of Anesthesiology (CDSA) celebrated their 50th anniversary in Costa Mesa and San Jose, California in early March with almost 800 in attendance between the two sessions. Dr. Peter Kudenchuk was the featured speaker and presented *Cardiac Arrest 2019*. Breakout sessions included *Hi-Performance CPR* lead by Dr. Kudenchuk, *Hands-on Airway Management* lead by Mr. Rick Ritt and a team of 10 faculty, and *Hands-on Intraosseous Infusions* lead by Dr. Roberta Ashley.

Other presentations included *Medication Safety* by Dr. Daniel Sarasin, *Office Preparation for Medical Emergencies* by Drs. Dan Hilton and Rick Smith, and *Morbidity and Mortality Forum* lead by Dr. Steven Yun. The annual *Dental Board and Legislative Update* by Drs. Alan Kaye and Bruce Witcher was also presented. The CDSA is the largest of the ADSA component societies.
